This application in part discloses and claims subject matter disclosed in my or our earlier filed pending application, Application No. **PCT/JP02/01633**, filed **February 22, 2002** and International Application No. \_\_\_\_\_, filed \_\_\_\_\_.

I have reviewed and understand the contents of this application, including the claims, as amended by any amendment referred to above.

I acknowledge the duty to disclose to the Office all information known to me to be material to patentability as defined in Title 37, Code of Federal Regulations §1.56.

Under Title 35, U.S. Code §119, the priority benefits of the following foreign application(s) filed by me or my legal representatives or assigns within one year prior to said international application are hereby claimed:

**Japanese Patent Application No. 2001-57589 filed March 2, 2001**

The following application(s) for patent or inventor's certificate on this invention were filed in countries foreign to the United States of America either (a) more than one year prior to said international application, or (b) before the filing date of the above-named foreign priority application(s)

As to any and all subject matter of this application which is not common to said earlier application, I acknowledge the duty to disclose to the Office all information known to me to be material to patentability as defined in Title 37, Code of Federal Regulations, §1.56, which became available between the filing date of the international application and the filing date of this application.

Under Title 35, U.S. Code §119, the priority benefits of the following foreign application(s) filed by me or my legal representatives or assigns within one year prior to this application are hereby claimed:

The following application(s) for patent or inventor's certificate on such subject matter were filed in countries foreign to the United States of America either (a) more than one year prior to this application, or (b) before the filing of the above-named foreign priority application(s):

I hereby appoint the following as my attorneys of record with full power of substitution and revocation to prosecute this application and to transact all business in the Patent Office:
